CONFERENCE FOR ADVANCED ARCHITECTURE

SHOWCASING PRACTICAL APPLICATIONS OF ARCHITECTURAL RESEARCH OUTCOMES

23rd of November
Round Tables & Debates
Venice, IUAV University of Venice, Palazzo Badoer, Aula T1, T2, B

There will be 8 sessions and each Round Table session (120 minutes), there will be a detailed 45-minute presentation held by the Directors of Research and Innovation teams within internationally acclaimed offices. The presentation is followed by a 45-minutes interactive session of questions and answers facilitated and guided.

24th of November
International conference: The most anticipated projects of the future
Mestre, M9 Museum, Amphitheatre

4 interactive sessions with over 20 international guests who will hold presentations and participate in panel discussions. They will present inspirational projects that are currently under development or just recently finished and are the result of an implemented research study.

Advanced Masterclass
Mestre, M9 Museum, M9Lab

24th & 25th of November
